Section B: Eligibility

The Priority Services Program has been designed to support customers in Victoria who are experiencing vulnerability and need us the most. To assist us in determining if you, or someone in your household, is eligible to be included in the program we need to understand the nature of your current vulnerable circumstances. Please provide information on your current circumstances below.

You can find the types of circumstances that would make you eligible in the "Who's eligible?" section of this form.

Multinet will only use your personal information for the purposes for which it is collected. See our Privacy Policy for more information about the privacy protections that Multinet gives your personal information (and sensitive information, if you choose to disclose such information).
